KEY BENEFITS

Ever Shine

Soft Turn

Water Saving

Durability. Exclusive ceramic cartridge, which allows a soft and precise operation, with the guarantee of one million opening and closing movements.

Water savings. Latest generation of flow limiters to 5 L/min, regardless of the pressure system, with water savings of 60%*.

Homogeneous flow. Aerators with excellent aerated jet quality, even under complex pressure conditions. They come with anti-limescale protection for easy cleaning and maintenance.

Adaptability. Four heights for basin faucets (S, M, L, and XL in one piece) to provide greater user-friendliness.

Acoustic control. Sound reduction system integrated in the cartridges and faucets to limit the noise of the water.

Safety. Protective filters included in the aerators that stop any particles coming through from the mains.

CHROME SERIES
